JOHN WHITTON

M. Inst. C.E.

ON your retirement from the post of Engineer in Charge
for Railways under the Government of this Colony, we who
have had the honor of serving under you desire to convey to
you the expression of our admiration of the talents which have
enabled you to administer with such marked success the great
Department which has been for so many years under
your charge, and of the many qualities of heart

and mind which have won for you the esteem and respect of your
Officers and Subordinates, and of all with whom you have come in
contact.

For all that you have accomplished in this Colony, your name
will long be held in grateful remembrance, and the great system of **Railways**
inaugurated and carried out by you, will be the abiding monument of your
great professional ability in the ages to come.

Requesting your acceptance of the accompanying **Souvenir** as a
mark of our esteem, and wishing you a speedy and complete restora-
tion to health and a long enjoyment of your well-earned rest.

We remain,

Very truly yours,
